

PRE-STAINING NOW AVAILABLE AT WESTERN WOODS

FOR THE “WOW” FACTOR!

YOUR ONE STOP SOURCE Western Woods has been supplying premium quality lumber for decking, fencing, siding and trim since 1971, but did you know Western Woods offers pre-staining? Pre-staining lumber with Superdeck® exterior wood stain allows for instant installation and the best value. Superdeck's durable and long lasting oil finish protects exterior wood and stands up to extreme climates. Customers love the famous Superdeck look and contractors love no call backs.

Choose your wood, choose your stain color, success!
